About Placement Orientation and Training Program

Office of Career Services plays a major role in shaping up the career goals of students. It is the dream of every student to get placed in topmost schools visiting the campus for placements. Keeping this key aspect into consideration, it is realized that building competencies is pivotal for the young student teachers to enhance their employability skills and achieve a good job.

Along with subject knowledge, development of a holistic personality is also necessary. To meet these requirements, the office of career services kick starts the first level of POTP event to help the students to get jobs in topmost schools.

THE PRIME OBJECTIVES OF POTP EVENT:

- To look for 100% employment for all the registered students for campus placements.
- To recognize the core competencies of the students.
- To train the students to meet the expectations of the schools through our Career Services Programs.
- To enhance their communication skills.

OUTCOME OF THE PROGRAM:

- Students learn about preparation for Campus Interviews
- Students write resumes very properly with full confidence
- Students could attend the interview with confidence

TRAINING ACTIVITIES:

- Career Readiness Through Competencies
- Placement Guidelines
- Create awareness about “General Knowledge” among the students.
- Recruitment Process usually followed by organization and the expectations
- Orientation on Aptitude Test, GK, Resume writing & General Interviews
- Personal Branding through Resume

The Office of Career Services MAEER’s SDBED organised Placement Orientation & Training program (POTP) for all B.Ed. students on ***“How to Plan and Prepare for Campus Interviews”***

Dated on Sunday,19th February,2023. 75 students from S.Y.B.Ed. benefited through the programme. It is realized that building competencies are pivotal for the young talent teachers to enhance their employability skills and achieve a good career path. Along with subject expertise, development of a holistic personality is also necessary. The SDBED team efficiently organized the sessions to address the concerns of the students.

“The orientation as a whole was very valuable in information and giving an insight into expectations of our student teachers career building”
