Brief Description of MAEER's, Saint Dnyaneshwar B.Ed. College

MAEER's, Saint Dnyaneshwar B.Ed. College, Alandi Devachi, Pune, is part of prestigious MIT Group of Institutions, Pune, Bharat. It has been constantly emphasizing our objectives.

ØTo promote the "Culture of Peace" through value based "Universal Education System", with a firm belief that "Union of Science and Religion/ Spirituality alone will bring peace to mankind.
ØTo harness the knowledge of Science and Technology for the welfare of the society.

Keeping this in mind, we wish to develop constructive relationship with our college & various reputed institutions & organizations of the whole world for sharing knowledge and enriching education. We aspire to provide platform for students training and placement and faculty development programmes.

We also aim to open new avenues for consultancy and research work for faculty members as well as teachers.

MAEER's, Saint Dnyaneshwar B.Ed. College, Alandi Devachi, Pune, recognized by NCTE and Govt. of Maharashtra, affiliated to Savitribai Phule Pune University, Pune non-governmental organization, established in 2009 to create the best teachers for making India the super power.

Brief Description of MIT ADT University

MIT Art Design and Technology University has been making concerted efforts for taking a leap towards the world class education. It is amongst the leading Government recognized Private University within the ambit of the renowned MIT Group of Institutions, Pune. MIT ADT University is a multi-disciplinary university which is famous for its sprawling lush green campus of 125 acres and picturesque location, spanning over the large area of 125 acres. University is the manifestation of the serenity of Mother Nature and aesthetically built on the banks of Mula-Mutha river.

The University is driven by the vision of delivering the world - class value-based education and Holistic development of the student's personality, enabling them to transform themselves into a Future Global Leaders.

The courses being offered are strategically planned and meticulously designed in view of the expectations and requirements of the industries. Our course curriculum and pedagogy are more focused towards giving complete Industrial exposure and hands-on practical experience to our students and developing industrial leaders out of them. Currently 2800 + students are enrolled in the MIT ADT University every year which is well equipped with the adequate infrastructural facilities.

MIT ADT University had won several accolades in the recent past including "Best Campus Award" by ASSOCHAM in 2017 and Best Private State University in India Award in 2018.

REPORT OF ANNUAL ACTIVITIES CONDUCTED UNDER MOU WITH MIT ADT UNIVERSITY

Introduction:

The Memorandum of Understanding (MoU) between MAEER's Saint Dnyaneshwar B.Ed. College and MIT ADT University has fostered a strong collaboration aimed at enhancing academic and research endeavors. This partnership has led to a series of annual activities that promote faculty and student exchange, participation in conferences, and engagement in various workshops and Faculty Development Programs (FDPs). Additionally, faculty members have taken on roles as external paper setters, contributing to the academic growth of both institutions.

Faculty and Student Exchange:

One of the key components of the collaboration involves faculty and student exchange programs. This initiative allows educators and learners from both institutions to gain exposure to different teaching methodologies, academic cultures, and research perspectives. Such exchanges enable the cross-pollination of ideas and the sharing of best practices, enriching the educational experience for everyone involved.

Participation in Conferences:

Both Saint Dnyaneshwar B.Ed. College and MIT ADT actively participate in conferences organized by each other. This engagement provides a platform for scholars, researchers, and students to showcase their work, share insights, and engage in meaningful discussions on a wide range of subjects. These conferences serve as a bridge between the two institutions, fostering intellectual exchange and collaboration.

Workshops and FDPs:

The collaboration also encompasses participation in workshops and Faculty Development Programs (FDPs). These events are designed to enhance the professional skills of educators, keeping them up-to-date with the latest teaching methodologies and research trends. By attending these sessions, faculty members from both institutions gain valuable insights that ultimately benefit their students' learning experiences.

Role of Faculty Members:

Faculty members from Saint Dnyaneshwar B.Ed. College participate in the collaboration as external examiners.

REPORT OF ANNUAL ACTIVITIES CONDUCTED UNDER MOU WITH WORLD PEACE UNIVERSITY

This contribution underscores the academic expertise and commitment of the faculty members, as they play an integral role in shaping the assessment and evaluation processes at the partner institution.

Conclusion:

The MoU between Saint Dnyaneshwar B.Ed. College and MIT ADT University has resulted in a dynamic and fruitful partnership. Through faculty and student exchanges, conference participation, workshops, and special lectures, both institutions have reaped the benefits of shared knowledge and expertise. This collaboration not only enriches the educational experience but also promotes a culture of continuous learning and academic growth.
