Brief Description of IIE

The Indian Institute of Education (IIE) is a renowned research institute supported by the Indian Council of Social Science Research (ICSSR), MHRD, New Delhi, and the Government of Maharashtra. Initially, it played a pivotal role in the National Adult Education Programme (NAEP) of 1976, leading to the creation of State Resource Centres like Jan Shikshan Sanstha (formerly Shramik Vidyapeeth). The IIE's alternative models, nurtured by it, have been implemented through extension centers like Vigyan Ashram, Pabal, and others.

The IIE is dedicated to extensive research and publications, focusing on education's philosophical, sociological, and post-colonial aspects. Its research projects, funded by national and international bodies like UNESCO and the FORD Foundation, are complemented by academic programs such as M.Phil. and Ph.D. in Education (Interdisciplinary), cultivating interdisciplinary social scientists. Notably, the institute engages in community-based initiatives, conducting capacity-building programs for tribal, rural, and urban stakeholders, with the PROPEL project earning UNESCO acclaim for its community-managed basic education model in 1993.

Date: August 8, 2023

Event: Special Lecture on National Education Policy (NEP) 2020

Organized by: MAEER's Saint Dnyaneshwar B.Ed. College in collaboration with IIE Pune

Introduction:

Under the Memorandum of Understanding (MoU) between MAEER's Saint Dnyaneshwar B.Ed. College and the Indian Institute of Education (IIE) Pune, an expert lecture was conducted on August 8, 2023. The lecture featured Dr. Arun Adsool, the esteemed Chairman of IIE Pune, as the keynote speaker. The event was aimed at exploring the key aspects of the National Education Policy 2020 and fostering an insightful dialogue among students and teachers.

Lecture Overview:

The lecture centered around the National Education Policy (NEP) 2020, a transformative blueprint for the Indian education system. Dr. Arun Adsool expressively clarified the key principles and goals set forth by NEP 2020. The lecture provided an opportunity for attendees to gain a deeper understanding of the policy's impact on educational practices and pedagogy.

Engagement and Interaction:

The lecture facilitated an engaging interaction between Dr. Adsool, students, and teachers. Attendees actively participated in discussions, raising pertinent questions and seeking clarifications on various aspects of NEP 2020.

Dr. Adsool's expertise and insights encouraged a thought-provoking exchange of ideas, fostering a dynamic learning environment.

Emphasis on Teacher Training:

A highlight of the lecture was Dr. Adsool's emphasis on the significance of comprehensive teacher training programs. He stressed that aspiring educators at the undergraduate and postgraduate levels must undergo rigorous training to effectively impart knowledge and shape future generations. Dr. Adsool's insights underscored the pivotal role of teachers in translating the vision of NEP 2020 into actionable practices.

Interactive Session with Teachers:

The event extended a platform for teachers to engage in an interactive session with Dr. Adsool. This session allowed educators to seek guidance on current pedagogical strategies and share their experiences. Dr. Adsool's responses provided valuable insights that educators could integrate into their teaching methodologies, aligning with the evolving educational landscape.

Confidence, Presence of Mind & Communication skills of students:

During the interaction, Dr. Adsool emphasized the importance of nurturing speaking confidence among students. He highlighted that effective communication skills are essential for holistic student development and future success.
