About Placement Orientation and Training Program

Office of Career Services plays a major role in shaping up the career goals of students. It is the dream of every student to get placed in topmost schools visiting the campus for placements. Keeping this key aspect into consideration, it is realized that building competencies is pivotal for the young student teachers to enhance their employability skills and achieve a good job.

Along with subject knowledge, development of a holistic personality is also necessary. To meet these requirements, the office of career services kick starts the first level of POTP event to help the students to get jobs in topmost schools.

THE PRIME OBJECTIVES OF POTP EVENT:

- To look for 100% employment for all the registered students for campus placements.
- To recognize the core competencies of the students.
- To train the students to meet the expectations of the schools through our Career Services Programs.
- To enhance their communication skills.

OUTCOME OF THE PROGRAM:

- Students learn about preparation for Campus Interviews
- Students write resumes very properly with full confidence
- Students could attend the interview with confidence
